

ONLINE CONTINUING EDUCATION COURSES FOR SPANISH SPEAKERS, VERIFICATION OF EMPLOYEE TRAINING, HISPANIC CATTLE CARE, AND UNDERSTANDING LATINO CULTURE

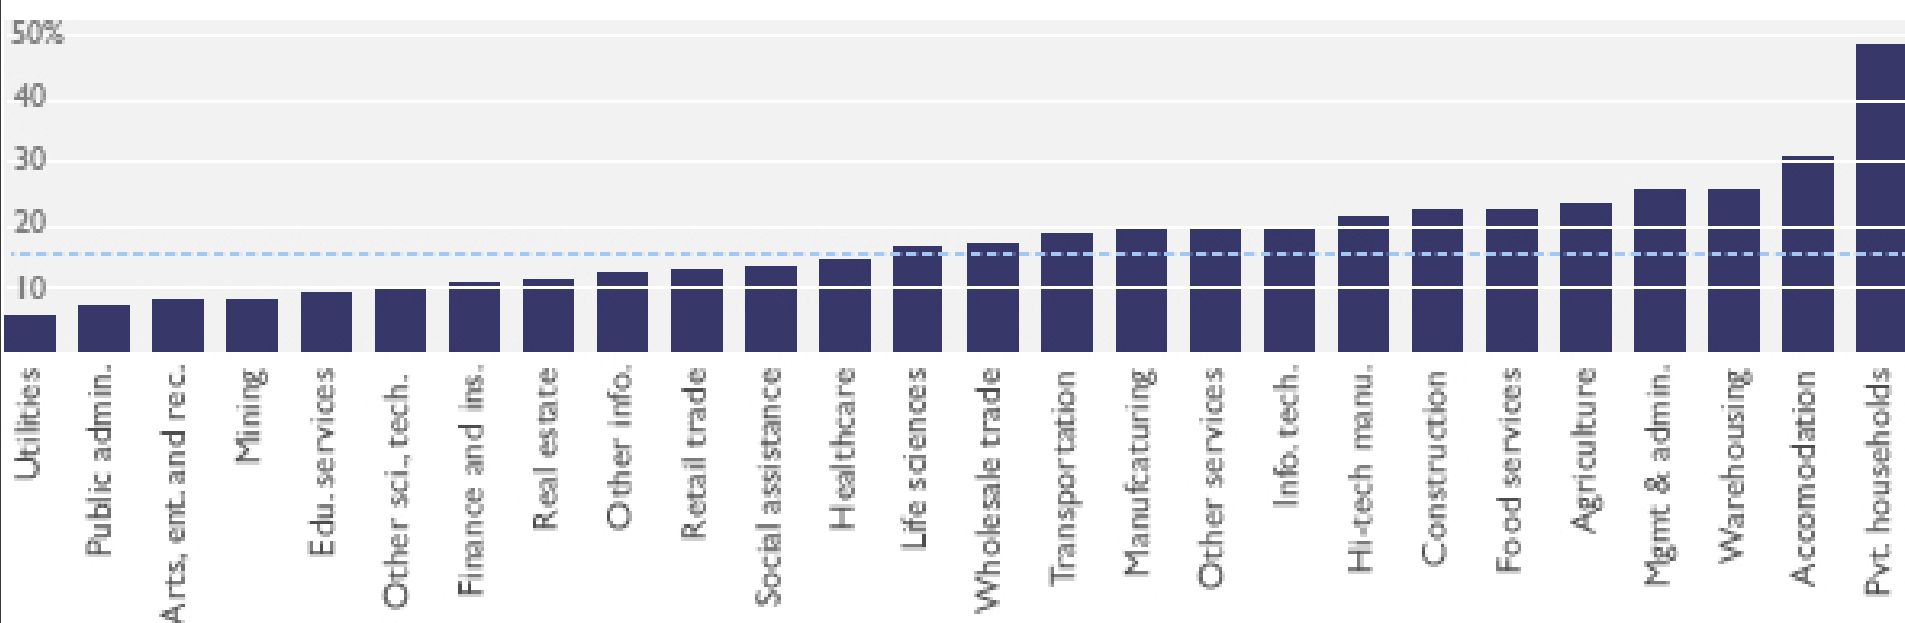

Ralph C. Richardson, DVM, Dipl ACVIM
Dr. Daniel U. Thomson, PhD, DVM
Kansas State University

4. Immigrants are over-represented in certain industries

Immigrants represent 15.8 percent of the civilian employed population overall, but are over-represented in high- and low-skill industries.

Percent foreign born by industry, 2010 (dashed line indicates total immigrant share of employed civilians)

Source: 2010 Current Population Survey data accessed via IPUMS.org

Animal Care Training

The screenshot shows the homepage of the Animal Care Training website. At the top left is the logo, a stylized triangle with blue, green, and brown sections. To its right is the text "Animal Care Training" and the tagline "Food Safety. Animal Welfare. Environmental Stewardship". On the top right is a login box with fields for "Username:" and "Password:", and a "Log In" button. Below the login box is a link for "Forgot password?". A navigation bar contains links for "Home", "About Us", "Training Offerings", "Register", "FAQ", and "Contact Us". The main content area features a large image of a cowboy on a horse, with a text box to the right titled "Regional BQA Meetings" containing information about six regional meetings in Kansas. Below this are three buttons: "Non Ambulatory Cattle Care Management Training", "National BQA Online Certificate", and "Modules Improve Workers Knowledge". At the bottom of the page is a contact bar with phone, fax, and email information, and a note that the site is managed by the Beef Cattle Institute at Kansas State University.
