The following chart is for applicants to use to determine which tests to take and when they should be taken.

AS OF APRIL 18, 2011

***NOTE: The VCAT is no longer administered, and is not required by any Veterinary School.**

Note: Check with your school to determine if the last date they will accept GRE scores means "official" scores or "self-reported" scores in the application".

College of Veterinary Medicine	Last date an applicant can take the required tests	The last date that the school will accept the scores	Tests required
Auburn University	7/31/2011	11/1/2011	GRE
