

2020 CIVME Research Grant Program - Grant Application Instructions for CIVME Research Grant

General Grant Information

Council on International Veterinary Medical Education (CIVME) Grant Application

The Council on International Veterinary Medical Education (CIVME) is an initiative of the American Association of Veterinary Medical Colleges which is keen to promote and share best practices in veterinary medical education around the world. The council will provide a means for:

- communication and collaboration that advances veterinary medical education around the world
- collaboration amongst educational researchers
- dissemination of innovations and other educational advances, to magnify the impact of projects
- by outreach to educators and their respective organizations

The CIVME Research Grant Program will support initiatives that align with at least one of the above-mentioned goals. The applicant(s) must clearly and convincingly describe that the proposed project promotes international collaboration in veterinary medical education.

Research grant proposals should fall within one of two categories:

- educational research projects
- educational exchange projects

Total project budgets should not exceed **\$10,000** and are limited for a period of max. 24 months.
