Transcripts Are Required

You can submit your application before transcripts are received. However, you must submit all required transcript and foreign evaluation types in order to complete your application.

Your programs require specific transcript types from your colleges and universities attended.
Transcript Entry

Enter transcript information exactly as it appears on your transcript. Your transcript details will be reviewed by a quality assurance team. If there are inaccuracies, your application will be sent back to you, and this will result in delays in submitting your application. All courses must be included, even if you did poorly or later repeated the course. If you have transfer credits, enter those credits from the institution where you originally took the course.

After you enter transcript information for all colleges attended, you will complete Transcript Review. In Transcript Review you will be asked to identify additional attributes about your coursework including Primary College and courses that are Repeated, Advanced Placement, Other Tests, Honors, and Study Abroad.

To complete this section accurately:
- Report all courses on your transcripts. Be sure to include courses from which you withdrew, repeated courses, ungraded labs, test credits, gym courses, orientations, or other non-graded courses.
- If you completed dual enrollment courses (i.e., college coursework in high school), report those courses under the college where you took them.
- Use official copies of your transcripts. List your courses under the correct term, year, and class level. Department prefixes and course numbers must precisely match those on your transcripts.
- Enter courses under the institution where you originally took the course, exactly as they appear on the original school’s transcript.

Click here for more information.

Are you paying for the Professional Transcript Entry (PTE) service? If so, you must:
- Complete and submit your application to at least one program.
- Request all official transcripts and WES evaluations, if applicable.

Once you submit your application, you cannot edit previously entered coursework, but you can add new coursework after you’re verified.

Essay

Your personal statement is a one-page essay that gives veterinary admissions committees a clear picture of who you are and, most importantly, why you want to pursue a career in veterinary medicine. Click here for more information.

Once you submit your application, you cannot edit this section.

Essay

Although there is no set of rules mandating what a strong personal statement should include, here are a few tips to help you successfully craft an effective personal statement:

- **Explain a defining moment** that helped steer you toward a career in veterinary medicine. Consider using that moment as the focal point of your essay.
- Be original and thoughtful: Discuss how you would **contribute to the profession** and patient care, all of which will help you stand out from other applicants.
- **As you are telling us why you want to pursue a career in veterinary medicine,** explain why you are a good candidate for veterinary school. Ask yourself—in a pile of 100 applications, would I enjoy reading my statement? Be sure to convey your passion for veterinary medicine in your statement.
- Many of you have had meaningful experiences with animals or veterinarians as children and these are important but should only be mentioned briefly.
- Your application materials already contain a summary of your accomplishments, so avoid repeating information from your transcripts or reference letters.
- Give yourself time to organize your thoughts, write well and edit as necessary.
- Ask yourself if this essay is a good representation of your character, ideals and aspirations.
- Don’t forget to proofread!
Recommendations

You must have a minimum of 3 requested recommendations in order to submit your application. You may enter a maximum of 6.

Once you have saved an electronic recommendation, an email request will automatically be sent to the recommender on your behalf. Please advise your recommender to look for this email in their inbox, as well as their spam or junk-mail folder, as emails do occasionally get filtered out.

In this section, you can send requests for recommendations. Recommendations (sometimes called Letters of Evaluation, Letters of Reference, or Letters of Recommendation) are submitted by the recommenders themselves via Letters by Liaison, our recommender portal; they cannot be completed or submitted by the applicant or another party on behalf of the recommender. Click here for more information.

You can submit your application once you request at least three recommendations; your recommenders can complete their recommendations at any time. To resend a recommendation request, click the blue pencil icon and click Resend This Recommendation Request.

You can edit and delete requests that are in Requested or Accepted status. Once a request is Completed, you cannot make any changes regardless of whether you’ve submitted your application or not.
