A Time for Reflection and Change

During a time when so much divides us - politics, race, culture, identity – we should focus on common values that unite us: fairness, equality, liberty and justice.

In honor of Juneteenth 2020, the AAVMC has developed a [webpage](#) which consolidates information about some of the many ways we are working to promote true Diversity and Inclusion in academic veterinary medicine.

We hope you will take this opportunity to learn more about these programs. We also hope you will pause and reflect upon the nature of this day and ways in which you and your colleagues and friends can help shape a better world for all.
