

Dr. Stacy Eckman received her DVM degree from Texas A&M University in 2001. She was a small animal associate veterinarian and practice owner in Corpus Christi, Texas before joining the Department of Small Animal Clinical Sciences at Texas A&M University in 2009. She is currently the Associate Dean for Hospital Operations for the Veterinary Medical Teaching Hospital and is a Clinical Associate Professor in Small Animal Primary Care.

Dr. Eckman is involved in teaching in all years of the DVM program and serves on multiple professional, departmental, college, and university committees. Her clinical interests include feline medicine, preventative care and wellness, and heartworm disease.
